

SUPPLEMENT no. 1

to RECTOR's ORDER

NO. 09/2020

**on the provision of study programs and courses and on the conduct of examinations
at CTU in Prague, in connection with measures to mitigate the risk of infection with
the corona virus**

I.

**Rector's order no. 9/2020 on the provision of study programs and courses and on the
conduct of examinations at CTU in Prague, in connection with measures to mitigate the risk
of infection with the corona virus is amended as follows**

Article II. Paragraph 6 reads:

6. "As concerns all examinations, or the presence of students at CTU in Prague on the basis of this Order, **a maximum of fifteen persons** may be present in a location at the same time.

The CTU employee responsible for the conduct of the given type of examination will ensure that a **list is made of the persons** who participated in a given type of face-to-face examination; this list will be kept for a period of 60 days after the end of the State of Emergency.

Article II. Paragraph 7 reads:

- "7) State final examinations, state doctoral examinations and defences of state doctoral dissertations can be held as distance examinations or as semi-contact examinations, and further members of the commission must in that case be linked remotely, or in part remotely; examinations may also be held face-to-face, with the presence in person of **not more than 15 persons**. If a state final examination is not held as a contact examination, the **secretary** of the commission must be present on the premises of the examination room to ensure that the state final examination is conducted in accordance with the Study and Examination Regulations for CTU students, including printing of the protocol and signing of the protocol by the student; this does not affect any duty of the secretary to be present in

accordance with other regulations or internal standards. The final result of the state final examination will be communicated to the student directly after the examination.”.

1. Article II. paragraph 21 reads:

“(21) In cases when the legal provisions allow the presence of members of the public in some parts of an examination (during the course of the examination or at the announcement of the result of an examination, etc.), the **physical participation of members of the public** is exceptionally **excluded** during the validity of this Order; this participation of members of the public, or this public control measure, is replaced by a recording of the course of the examination, which will be archived for a period of 5 years by the institute/department organizing the examination. An exception from excluding members of the public can be permitted by the person responsible for the conduct of the examination, provided that **not more than 15 persons** will be present in the room.”

II.
Final provisions

(1) This Order enters into force on May 11th, 2020.
