

LECTURE STREAM MANUAL

Distance or semi-distance teaching – the holding of lectures – is governed by the regime of distance teaching established by the management of the FA CTU, by the order of the Rector of CTU or by the regulation of the Government of the Czech Republic, or by the Ministry of Education, Youth and Sports of the Czech Republic.

The FA CTU ensures the protection of copyright-protected works used in teaching materials within the framework of distance teaching within the meaning of § 31 par. c) Act. No. 121/2000 Coll., Copyright Act as amended, by limiting the scope of use of teaching materials and their intermediation only to full-time faculty students.

Rules for distance / semi-distance teaching

- Before the first lecture, the teacher is required to contact the auditorium director and agree on the details of the production/transmission of the lecture.
- Live streaming from the auditorium - live streaming of a lecture OR broadcast of a pre-recorded recording - will take place according to the timetable. Any pre-recorded recording will be handed over by the teacher to the director in advance.
- Streaming will be available for students on the FA CTU website in the Study/General/Stream section. The password was sent to the teacher by email on 15. 9. 2020
