REGENERATION OF TRADITIONAL FARM HOUSE
PŘEPEŘE
SUMMER TERM 2020

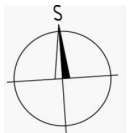

THE PROPOSAL AIMS TO RESTORE THE USE OF THE BARN AND THE FARMSTEAD WITH THE COURTYARD AND THE LARGE GARDEN. IN MY DESIGN, I USED THE COURTYARD FOR THE CONSTRUCTION OF A RIDING ARENA AND THE EXISTING HORSE STABLES TO HOUSE HORSES. THE SPACIOUS GARDEN WILL SERVE AS A Paddock OR CORRAL. THE BARN IS INTENDED FOR ACCOMMODATION OF CYCLISTS, FANS OF CANOEING, TOURISTS OR RIDERS WHO WANT TO SPEND MORE DAYS ON THE FARM. THE BARN CAN ACCOMMODATE UP TO 12 GUESTS AND OFFERS DINING SERVICES IN A LOUNGE BAR WITH A SPACIOUS TERRACE. TO RELAX AND UNWIND, GUESTS CAN SIT BY THE FIREPLACE IN THE OPEN HALL WHICH ALSO SERVES AS A LIBRARYA LIBRARY.
