

# RETURN TO THE ROOTS

ANTONINA LAZAREVA, 4<sup>TH</sup> SEMESTER, ATOS

The bright path of the last farewell.  
Without unnecessary words and details.  
He is no longer among the living and this is the moment of  
parting.  
When a person crosses the line between life and death.  
Leaving for an open and peaceful world.  
Going back to the roots, the origins.
